This exquisite villa, designed by the renowned architect Ismael Merida, offers intelligent architectural solutions that will appeal to the most demanding. Every detail was carefully defined to enhance the feeling of freedom and absolute comfort. This high-quality villa is standing on a large plot of 1474m² situated on the top of the hill. Having the best possible location in this area, the villa is offering the complete privacy and unobstructed gorgeous views over the green hills of La Cala de Mijas and the Mediterranean Sea. The villa is distributed over 3 levels and has 4 bedrooms, 3 bathrooms, a spacious living room with an open-plan kitchen, a guest toilet, a garage for 2 cars and a multifunctional room that can be used as a gym, home cinema theatre or even as an individual apartment. All the levels are connected by the designer staircase.
