FANTASTIC VILLA with the best panoramic views of Playa de los Alemanes, Zahara de los Atunes, and the Atlantic Sea over the coasts of Cádiz and Africa. It is a set of 4 villas built on a plot of almost 5,000 m² on the side of a mountain in one of the most sought-after urbanizations in Cádiz, the Atlanterra Urbanization. The Main Villa, located in the highest area of the plot, is an Andalusian-style construction with 2 patios and incredible views over the Atlantic Sea. This villa is distributed in two clearly differentiated areas; The day area, which is accessed through a beautiful and typical Andalusian patio, offers us a charming entrance hall, a guest toilet, a large living room with a large window and direct access to both the main terrace and the Separate dining room and kitchen. In the night area, we have 5 large bedrooms, all with en-suite bathrooms, a large laundry room located next to the second patio, and an attic with several beds and a charming living room. Villa Paraíso is located just north of the plot and offers us 2 large bedrooms, a master bedroom with a large private terrace overlooking the garden, a full bathroom, a large living room, a kitchen and a beautiful sun terrace with incredible views over the mountain. , the beach and the Atlántico Sea. Villa La Gloria, located just to the south west of the plot, offers us one of the best views of the entire plot and is made up of a master bedroom with a large private terrace with incredible sea views, a full bathroom, a spacious living room and a independent kitchen. Villa El Dorado, located to the south of

the plot, also offers us spectacular views and offers us 3 bedrooms with 3 complete bathrooms "en suite" and an independent kitchen on the upper floor and a spacious living room with a fireplace and a large private terrace with incredible sea views on the ground floor. The complex also offers covered and closed parking for a minimum of 2 vehicles and a large esplanade for another 3 or 4 additional vehicles. And all this with a shared pool area with toilet areas and covered terraces, the best views and a perfect south orientation. The farm also offers us a wonderful mature garden with several terraces, a beautiful ornamental garden and a large own orchard.
