with total privacy and views to the hills that roll down to the west coast of Marbella. There are 2 bedrooms and each has it's own bathroom. The master bedroom is delightful. Bright and spacious enjoying the same views as the living area. It's large and well-appointed bathroom is elegant and functional and really does compliment the idea of a fully functioning master suite within this Monte Halcones apartment. A wonderful well-built apartment in one of the best locations overlooking Marbella's famous coastline. This spacious and bright property has been redecorated and updated to bring it to it's original elegance. With a new open plan kitchen installed, the spacious living area is a wonderful space to enjoy whilst dining and relaxing. Included is an underground secure parking space and storeroom. Monte Halcones is an urbanization located 15 minutes from Puerto Banus, on the road that leads to Ronda. Its location and height provide spectacular views of this part of the Costa del Sol.
