Great location for this spacious two-bedroom apartment, both with en-suite bathrooms. With a west-facing terrace. Very spacious and bright, with a comfortable layout, where the kitchen is completely open to the living room. Both bedrooms have their own en-suite bathroom. Quiet building, with a swimming pool also suitable for children and a well-kept community garden. With an excellent location on Playa de la Fontanilla, just 2 minutes walk from the beach, and surrounded by all services and amenities. It is in good condition, ready to move into.
