This huge villa is beachside Cabopino. Couldnt be a better location for any kind of use desired. Lots and lots of scope to renovate and make into a dream residence. The sea is literally right there. The grounds are enormous and most bedrooms have a grand en suite. Plenty of room for parking and lots of privacy. The build is very good and could act as a great structure to make into anything you want. The port of Cabopino is walking distance. Viewings are flexible. Any questions before a viewing or a video viewing if abroad do not hesitate to call.
