

with panoramic views. This floor also includes two full bathrooms, one of them en-suite. The house has been recently renovated with high-quality materials: new doors, premium laminate flooring, and the original marble flooring has been preserved underneath and remains in excellent condition. In the basement, there is a storage room of approximately 20 m2 and a spacious garage with an automatic door and room for two vehicles. A unique property offering style, comfort, and an unbeatable location. Don't miss this opportunity!
