perfect fusion of elegance and comfort. Discover coastal living where every detail is thoughtfully crafted to delight your senses and enrich your life. Discover excellence in every detail with the construction qualities of this project. These villas pride themselves on offering you the best of the best. High-quality finishes are a distinctive feature of these residences. We use porcelain flooring and tiling from renowned brands such as Porcelanosa, ensuring lasting elegance. With rectified formats of 80 x 80 for floors and 45 x 120 for tiling, each space exudes sophistication and style. Security and energy efficiency are top priorities in our designs. Therefore, we use aluminium enclosures from leading brands like Strugal, with thermal break, double glazing, low-emissivity solar control, and safety glass. Your peace of mind and comfort are guaranteed. Our solid passage doors, veneered around their entire perimeter and lacquered in white, add a touch of elegance to each room. Built-in wardrobes, with drawers in bedrooms, offer practical and functional storage. Comfort is paramount, so we equip all areas with air conditioning through the Airzone system, ensuring a perfect environment at all times. In addition, hot water supply through aerothermal energy and underfloor heating in the living room, bedrooms and basement provide exceptional comfort and energy efficiency. To provide you with maximum control and convenience, we include pre-installation of home automation, allowing you to customize your home according to your needs and preferences. In these residences, every detail is designed to offer you an unparalleled living experience.
