Exclusively with us! Attention investors and large families! This could be your opportunity! This is a very large country house with a built area of 368m², a 50m² pool, and a 4905m² plot located near the Hotel El Mirador in Alhaurin el Grande with excellent access. On the 4905m² plot, which is fully fenced, there is a small 40m² guest house, a 50m² pool, a single-car garage with a large 55m² workshop, and a small 14m² bungalow. The 101m² main house, facing southeast, has five bedrooms, one of which has an en-suite bathroom, a bathroom with a bathtub, and another room that is currently used as a large storage room but is actually a bedroom. A large living room and a small room with a fireplace, as well as a fully equipped kitchen, a fully glazed veranda, and a laundry room. Next to the large pool is an outdoor bathroom with a small utility room. Behind the main house is a beautiful, large piece of land that is very flat and ideal for planting a vegetable garden or simply for your animals to enjoy! The property needs some renovation, but has great potential due to its location and size. The water supply comes directly from the town of Alhaurin el Grande! The house was built in 1977!
