

Located on a peaceful street steps from Avenida de las Palmeras, this bright townhouse offers beautiful sea views, a flexible layout and an excellent location close to all amenities. A great opportunity for those looking for a home in a highly desirable area. The property forms part of a particularly well-maintained and well-managed community, which stands out in the area and adds long-term value to the investment. The upper floor features three bedrooms. The master bedroom includes an ensuite bathroom, while the two additional bedrooms share a second bathroom. From this level, you can enjoy open views and stunning sunsets over the sea.
