Stunning apartment in a beachfront development. Very quiet area, just a 7-minute drive to the center of Estepona and the same to Sabinillas. There are beach bars nearby, a minimarket, a bus stop, and more. Close to several golf courses such as Estepona, Doña Julia, and others. The most striking features of this apartment are its views, layout, and size. It has a large terrace with spectacular views of the sea, a garden, and the pool. It is distributed into three spacious bedrooms, with two bathrooms, one en suite, a large living-dining room, and a kitchen. It is on the first floor without an elevator. The community has a main pool and a children's pool, large green areas, and direct access to the promenade and the beach. There is private, but ungated, outdoor parking.
