place to enjoy the tranquility of the surroundings while also being very well connected to all amenities. In the spacious grounds below the house, seven solar panels are installed, resulting in very low electricity bills. The garden boasts a variety of aromatic herbs and some fruit trees. In addition to electric heaters, there are two heat pumps and a fireplace with ventilation in the different rooms. The 3000m² plot is a private, fenced area with abundant vegetation. The garden is meticulously maintained and features an irrigation system with solenoid valves. Several spaces surround the house, including three terraces at different levels. It is being sold fully furnished with custom-made solid pine furniture. It's a very special little paradise! It has a first occupancy license for holiday rentals.
